

A romantic dinner on a boat at night. A man and a woman are seated at a table, holding wine glasses and looking at each other. The table is set with plates, glasses, and a small sparkler. In the background, there are fireworks exploding over the water, and the city lights of a coastal town are visible on the left. A clock-like graphic is overlaid on the top half of the image, with the year 2026 on the left and 2027 on the right.
